One-Year Diploma in LAWS ON HOSPITAL ADMINISTRATION

Beginning 1st September 2020

About the Course

PURPOSE
Health professionals and health care institutions are increasingly subject to regulations, litigation and court cases. This course will equip them to take the necessary steps to meet regulatory requirements, prevent and protect themselves from unnecessary litigation and to seek appropriate and timely guidance.

RESOURCE PERSONS
Professional experts with wide experience in hospital administration and law, headed by Mr Samuel Abraham, Sr Legal Consultant have prepared the reading materials for this course.

COURSE CONTENT
- Basic structure of judiciary in India and its functions
- Civil & criminal law and its applications
- Contract Law and Consumer Protection Act and its applications
- Various legal issues in hospital administration and possible solutions
- Medical laws and its applications in hospital administration
- Labour laws and its applications in hospital administration
“I recommend this course to any professional in the medical field for a deeper understanding of the ‘why’ behind medical and hospital practices; this would equip healthcare workers become better stewards for the healing commission of Christ”

Dr M J Paul
Professor and Head Endocrine Surgery
CMC Vellore

WHO CAN APPLY
- Doctor
- Nurses
- Administrators
- Medical Record Officers
- Other Allied Health Professionals
- A graduate of any recognised university can join

*CONTACT CLASS
Contact classes will be fixed at the end of the course in a centralised convenient place and examination will be conducted.

COURSE FEES
Rs 10,000 per candidate, not including contact classes (boarding and lodging expenses have to be borne by the participant).

About CMAI
The Christian Medical Association of India (CMAI), is a registered, national level NGO. It has a total membership of over 10905 health professionals, 438 Students and a membership network of more than 271 health care institutions including five medical colleges. CMAI was set up in 1905. It has been playing a strategic role to influence health policies in India and is dedicated to promoting health and social justice to all, irrespective of religion, language or socio-economic status.

CMAI has been promoting quality education since the early 1900s. It accredits and provides training in various fields including nursing, allied health, hospital administration, chaplaincy and medical practice. It is authorised by the Indian Nursing Council to accredit ANM, GNM and post Diploma courses across the country. Diploma courses in several allied health professional courses such as Medical Laboratory Technology and Radiology Technology are also accredited by CMAI. Workshops are regularly conducted for the CMAI network on different issues such as emergency medicine, legal issues, nursing, hospital administration, NABH, NABL etc.
